

Click to Print teaches the art of digital workflow covering the FIVE Ps: Plan, Photograph, Process, Post and Print. Vanelli (with a little help from the audience) guides you from concept to completions using the 5 P's. He will start with a PLAN, build a set to PHOTOGRAPH a volunteer and then PROCESS the image using tips and tricks in Lightroom and Photoshop. Then Vanelli will show you how and where to POST and PRINT the images to maximize social media exposure.

Plan:

- Slide show
- Output size
- Stylize the scene
- Shooting strategies
- Light modifiers
- Costume design
- Gear needed

Photograph & Process:

- Build the Set
- Cross Lighting Style
- Using a Light Meter
- Lighting the Background
- Camera Settings
- Aperture
- Shutter
- ISO
- Tethering to the computer
- Importing and Organizing with Lightroom
- Understanding Collections
- Basics of the Develop Module
- Using Adjustment Brushes
- Adding enhancements with Photoshop
- OnOne Photo Suite
- Building Presets
- Building a print layout

Post:

- Social media
- Lightroom export window
- Build export presets
- Publicity Strategies

Print:

- Export Window
- Build Printing presets
- Print labs
